PAPA RAZZI WELLESLEY

As an Italian trattoria, hosting personal gatherings isn't just what we do, it's what we love. We welcome your next celebration, outing, or corporate event with enthusiasm and passion. Our dedication to fresh cooking and warm hospitality will put you and your guests at ease, and our private event planner will cover every detail to ensure your occasion is flawless. Papa Razzi makes it easy to plan and enjoy your next private dining experience.

Our newly redesigned Hunnewell dining room opens up to our patio area, making it easy for guests to linger both indoors and out. We happily accommodate 110 guests for lunch or dinner and up to 175 guests for a cocktail party. If you are looking to host a more intimate affair or board meeting, our staff can easily arrange the setting to make it comfortable for groups as small as 10.

Our Terrace View dining room is a semi-private space providing an intimate gathering for up to 20 guests.

Thank you for your interest. We look forward to planning your next event.
